

Marriage is a commitment between a man and a woman and established in the sight of God. It was the marriage union that God chose as the foundation for culture and as the environment in which families would be developed. Because God is the creator of marriage we understand that He also has much to say regarding how it should function.

The CCVB pre-marital course is designed as an opportunity to engage with God and His word in order to receive instruction and encouragement for this new adventure. We will do this by taking time to discover what the Bible has to say about marriage and our relationship with Christ.

Mark 10:9

"Therefore what God has joined together, let no one separate."

If you believe that the Lord is calling you into the marriage bond, please fill out the attached Pre-marital application. Please keep in mind that the questions are designed to assist in affectively ministering to you as you begin your journey together. The goal is to help you grow in Christ through His Word so you might know Him at a deeper level. If we desire to have a marriage that God will bless we must begin now to live the kind of life that pleases Him.

God bless you as you continue to live for Him!
